## Ex. 6 Personal Privacy (PP)

Thank you for planning to attend the GWPC Annual Forum. In addition to the sessions listed on the agenda, GWPC and EPA will also hold a side meeting during the Wednesday lunch break to discuss Class VI primacy and federal funding. We are inviting **one** representative from each interested state or tribe. EPA will give an update on the grant application process. Based on conversations with GWPC, or our best guess, we've identified you as the likely participant from your state for this sidebar meeting. **If you are unable to attend, want to designate someone else from your state to attend, or do not plan to seek primacy, please let me know.**

Lunch will be included (I believe a sandwich bar).

Thanks

-Dan
